

How To Prepare For A Nashville Home Showing In 10 Minutes Or Less

1. Vacuum the lower level rooms
2. Put a cloth over the dirty dishes in the sink, or put them in the dishwasher
3. Make sure your master bedroom bed is made..(kids room just throw the comforter over the bed if you have time!)
4. Take out the garbage!
5. Spray your downstairs with a nice room freshening spray
6. Clean your kitchen counter tops
7. Take a deep breath
8. Leave the lights on and leave the house
9. YOU DID IT!

Remember you never get a second chance to make a first impression.
